

COMPANY PROFILE

EXECUTIVE SUMMARY

Terryden Agencies is a dynamic, client-focused agency and business solutions firm based in Mombasa, Kenya. Combining the expertise of its founders, the company specializes in bridging opportunities between businesses, talent, suppliers, and service providers. Whether through recruitment, business representation, procurement, consulting support, or general agency services, Terryden delivers reliable, efficient, and innovative solutions that drive growth and operational excellence for its partners.

VISION

To be the leading agency partner in East Africa, known for connecting opportunities, empowering businesses, and fostering sustainable growth through integrity and excellence.

MISSION

To provide seamless agency, recruitment, representation, and business development services that help organizations and individuals achieve their goals efficiently while maintaining the highest standards of professionalism and ethical conduct.

CORE VALUES

- **Integrity & Transparency:** Honest dealings and clear communication in every engagement.
- **Client-Centric Approach:** Tailored solutions that prioritize client success.
- **Innovation & Efficiency:** Leveraging modern tools and strategies for optimal results.
- **Reliability:** Consistent delivery and dependable service.
- **Collaboration:** Building strong, long-term partnerships.

SERVICES OFFERED

Terryden Agencies provides a wide range of flexible, high-impact services, including:

RECRUITMENT & MANPOWER SOLUTIONS

Terryden Agencies provides fast, reliable talent acquisition and workforce management services with a strong focus on quality and compliance.

- ◆ Executive search and C-suite placements
- ◆ Professional, technical, and industrial staff recruitment
- ◆ Temporary, contract, and outsourced staffing
- ◆ Background screening, vetting, and reference checks
- ◆ Payroll management and outsourced HR services
- ◆ Background checks and vetting (leveraging security expertise)

BUSINESS AGENCY & REPRESENTATION

Terryden Agencies acts as a trusted local partner, providing professional representation and facilitation services for both local and international clients seeking to operate efficiently in Kenya and the East African region.

- ◆ **Local Company Representation** — Acting as an authorized agent or representative for foreign companies, handling day-to-day operations, client liaison, and government relations.
- ◆ **Market Entry Support** — Comprehensive assistance for international businesses entering the Kenyan market, including regulatory navigation, partner identification, and location scouting.
- ◆ **Tendering & Bid Representation** — Monitoring of public and private tenders, bid preparation, submission, and follow-up on behalf of clients.

- ◆ **Sales & Business Development Agency** — Proactive promotion of client products/services, lead generation, appointment setting, and distribution channel development.
- ◆ **Government & Parastatal Liaison** — Facilitating engagements with government ministries, Kenya Ports Authority (KPA), Kenya Revenue Authority (KRA), and other regulatory bodies.
- ◆ **Distributor & Agent Appointment Management** — Identification, appointment, and performance monitoring of distributors and sub-agents across Kenya.
- ◆ **Contract Negotiation & Management** — Support in drafting, negotiating, and managing commercial contracts and service level agreements.
- ◆ **Corporate Secretarial & Compliance Services** — Company registration, annual returns, licensing, and ongoing regulatory compliance support.
- ◆ **Brand Representation & Promotion** — Local marketing and promotional activities on behalf of international brands.
- ◆ **Diplomatic & NGO Liaison** — Specialized representation for embassies, international organizations, and non-governmental entities operating in Kenya.

PROCUREMENT & SUPPLY CHAIN SERVICES

Terryden Agencies offers end-to-end procurement and supply chain solutions tailored to the Kenyan and East African market, with strong expertise in general industry setup, port and logistics operations leveraging Mombasa's strategic position.

- **Sourcing of Goods and Services** — Local and international supplier identification, supplier evaluation, and competitive bidding processes.
- **Supplier Vetting and Management** — Due diligence, background checks, performance monitoring, and contract management.
- **Logistics Coordination and Freight Management** — Inland transportation, multimodal logistics (sea, road, rail), cargo tracking, and optimization of delivery routes.
- **Customs Clearance and Documentation** — Import/export documentation, customs compliance, tariff classification, and expedited clearance support.

- **Port Agency and Shipping Support** — Coordination with Kenya Ports Authority (KPA), vessel agency services, cargo handling oversight, and port operations facilitation.
- **Warehousing and Inventory Management** — Storage solutions, inventory tracking systems, warehouse optimization, and distribution support.
- **Tendering and Government Procurement Support** — Preparation and submission of tenders, compliance with PPRA (Public Procurement and Asset Disposal Act) regulations, and bid management.
- **Supply Chain Risk Assessment and Mitigation** — Risk analysis (security, geopolitical, supply disruption), contingency planning, and insurance coordination.
- **Procurement Consulting and Strategy** — End-to-end supply chain audits, cost optimization, sustainable procurement advisory, and process digitalization.
- **Project Procurement & Materials Management** — Bulk procurement for construction, industrial, and development projects, including specialized equipment sourcing.
- **Cold Chain and Perishable Goods Logistics** — Temperature-controlled transport and storage for food, pharmaceuticals, and sensitive cargo.
- **Last-Mile Delivery and Distribution** — Efficient delivery networks across Kenya and into neighbouring countries (Uganda, Rwanda, South Sudan, DRC, etc.).
- **Bunkering, Provisions & Technical Supplies** — Vessel provisioning, spare parts delivery, and marine supplies coordination.
- **Sustainable and Green Supply Chain Solutions** — Eco-friendly sourcing, carbon footprint reduction strategies, and CSR-aligned procurement.

CONSULTING & ADVISORY SERVICES

Terryden Agencies delivers strategic, practical, and results-oriented consulting services drawing on deep industry experience in security, ports & logistics, HR, and business operations.

- ◆ **Business Setup & Compliance Advisory** — Guidance on company registration, tax compliance, licensing, work permits, and local content requirements.
- ◆ **Security Risk Assessments & Consulting** — Comprehensive security audits, threat vulnerability assessments, maritime/port security advisory, and development of security management systems.
- ◆ **HR Policy Development & Training** — Creation of HR manuals, recruitment policies, performance management systems, and staff capacity-building programs.
- ◆ **Strategic Management Consulting** — Business strategy development, organizational restructuring, and performance improvement initiatives.
- ◆ **Operational Efficiency Consulting** — Process mapping, workflow optimization, cost reduction strategies, and implementation support.
- ◆ **Risk Management & Business Continuity** — Enterprise risk assessments, crisis management planning, and business continuity strategy development.
- ◆ **Maritime & Port Operations Advisory** — Specialized consulting on port logistics, cargo handling optimization, regulatory compliance, and port-related project support.
- ◆ **Financial & Investment Advisory** — Basic feasibility studies, budgeting support, and introduction to potential funding partners (non-legal).
- ◆ **Sustainability & ESG Consulting** — Advisory on Environmental, Social, and Governance practices, green business models, and CSR program design.
- ◆ **Digital Transformation Advisory** — Guidance on adopting technology, basic ERP systems, and digital tools for small and medium enterprises.
